🐾 An exciting addition to the team at UT is the affiliation with **Dean Miller**. Dean brings over 17 years experience as a professional trainer and behaviorist. His in-depth background includes obedience training & instruction from foundational exercises to competition level performance. Dean's extensive background also includes training for therapy, service, scent, search & seizure and protection applications. Dean consults with numerous non-profit rescue & shelter groups on behavior and re-homing issues. One of his personal passions and strong specialties is the rehabilitation of aggressive dogs so they can be an active and safe member of both their family and society. Dean is teaching classes at UT on Wednesday nights and Saturday mornings. He is also available for private consultations.
